

MM VITAOILS

This multi-purpose shortening is suitable for cooking and baking purposes. It exhibits remarkable performance in product volume thus making it very cost effective.

PRODUCT APPLICATION

A practical frying medium for domestic and industrial purposes because it is more stable and holds a longer shelf life. Makes good texture and volume in cakes, creams (frostings), wafers and bread products because it contains beta crystalline which is essential for optimum creaming. Commonly used as a binding agent to substitute in cold cut manufacturing. MM Vitaoils can also be applied for frying, pastry and cake making at home.

BENEFITS

- Contains beta crystalline which is essential for optimum aeration
- Rich in Vitamin E
- 100% palm oil
- Cholesterol free
- No Trans Fatty Acids
- Lactose free

PRODUCT SPECIFICATION

Pouch Bag	Quantity per Full Container Load
• 16 x 1 kg per carton	• 1,220 cartons
Carton	Quantity per Full Container Load
• 10 kg	• 1,600 cartons
• 15 kg	• 1,300 cartons
• 16 kg	• 1,200 cartons
• 20 kg	• 1,064 cartons
• 25 kg	• 999 cartons
Pail	Quantity per Full Container Load
• 4 x 5 ltr per carton	• 585 carton
• 5 ltr	• 3,200 round pails
• 10 ltr	• 1,472 round pails
• 18 ltr	• 960 square pails
• 18 ltr	• 966 round pails
• 20 ltr	• 840 round pails
