

QUALIPOUR

This multi-purpose pourable shortening is suitable for cooking purposes.

PRODUCT APPLICATION

This is a shortening which is in fluid form so that it is consistently pourable throughout the low temperature storage. It remains homogenous liquid at 10oC and suitable as a frying medium and for producing excellent tempura.

BENEFITS

- Rich in Vitamin E
- Cholesterol free
- No Trans Fatty Acids
- Lactose free
- Pourable at low temperature

PRODUCT SPECIFICATION

Pouch Bag

- 16 x 1 kg per carton

Quantity per Full Container Load

- 1,220 cartons

Tin

- 4 x 5 kg per carton
- 16 kg
- 15 kg
- 16 ltr

Quantity per Full Container Load

- 800 cartons
- 1,242 tins
- 1,448 tins
- 1,448 tins

Jerry Can

- 18 ltr

Quantity per Full Container Load

- 1,060 jerry cans

Pail

- 4 x 5 ltr per carton
- 5 ltr
- 10 ltr
- 18 ltr
- 18 ltr
- 20 ltr

Quantity per Full Container Load

- 585 carton
- 3,200 round pails
- 1,472 round pails
- 960 square pails
- 966 round pails
- 840 round pails
